“Through the work I do for my tech clients, I see significant opportunities in Web3 for lawyers and their law firms to connect with other lawyers, clients, and customers in ways that we could have only dreamed of a few short years ago,” said Mr. Stovsky. “I share the excitement the LawCity.Com team has for the future of the legal industry as it relates to Web3, and very much look forward to working with the team to help LawCity.Com remain a Web3 leader in the legal industry.”
